

# Pore Restore / Mint Line:

AND  
**FAIR AND FLAWLESS**<sup>™</sup>

PROFESSIONAL SKINCARE

The Fair and Flawless Pore Restore line is designed to clean, exfoliate, and mattify oily and blemish-prone skin. The simple, 3-product system targets issues specific to oily/combo skin with a blend of natural astringent and cooling extracts.

Fair and Flawless Pore Restore Scrub contains perfectly round exfoliating beads in two sizes to ensure a gentle and thorough exfoliation, and Lemon, Meadowsweet, Witch Hazel and Peppermint to cool and refresh. Natural Glycerin and Decyl Glucoside (from Coconut) help prevent the over-drying that sometimes occurs with oily skin care products.

Fair and Flawless Pore Restore Toner features a special blend of herbs—Marigold, Chamomile, Sage, and Mallow, among others—to calm and soothe skin. It also contains a special oil-adsorbing mattifier to reduce shininess and excess oil. Cooling menthol leaves your face feeling clean and refreshed.

Fair and Flawless Pore Restore Mask is a minty peel-off gel mask, designed to draw impurities and excess oil from the skin and tighten pores. Our herbal extract blend (featuring Lemon, Meadowsweet, Witch Hazel and Peppermint) naturally tightens pores, helps reduce excess oil production, and refreshes the skin so your face feels clean and cool.
